## Small 1Month Loans

### We are all about

*Real Personel Service*

Making a small quick online loan is a very personal matter. It is our believe that a personal loan should be handled by a real person, not a computer chatbot. A person who can act when called upon, without transferring your call.

Making online loans is very convenient but remember there will

### A representative example

If R1.000 is borrowed for 5 days. Fee R200. Total to Repay: R1.200
